

The mission of the Canadian Friends of Dulwich Picture Gallery is to make fine art accessible to everyone by enhancing the public's understanding and appreciation of international art in Canada and of Canadian art abroad. Our purpose is to build relationships and facilitate a cultural exchange between Dulwich Picture Gallery and its many Canadian Friends and supporters.

Dulwich Picture Gallery is home to an important collection of Old Master paintings from the 17th and 18th centuries, including masterpieces by Rembrandt, Rubens, Murillo, Poussin, Watteau, Gainsborough, Tiepolo and Canaletto.

Designed by Sir John Soane in 1811 as England's first purpose-built art gallery, it is an architectural masterpiece.
